Attachment E

ONE Projects

1. ONE projects which are referred to the EIC for production will be handled in accordance with procedures set forth in Attachment A.
2. ONE projects which involve either direct ORR support or indirect ORR support through another agency such as State, for example, will be handled as follows:
 - a. Responsibility for initial ONE - ORR liaison will reside in the Office of the Assistant Director.
 - b. The assignment of production responsibilities in ORR will be handled through the Project Initiation and Control Branch of D/R which, when required, will act through the Project Initiation Board, of which the ONE-ORR Liaison Officer will be an ex officio member. In exceptional cases requiring urgent procedures the Liaison Officer may, with the approval of AD/RR, take such preliminary steps for initiating production in ORR as may be necessary. He will keep D/R informed.
 - c. The Liaison Officer will maintain such contacts with ORR as may be necessary for carrying out its responsibilities. The monitoring of deadlines will be handled by D/R. Such contacts between ONE and the producing divisions of ORR as may be necessary for the development of research clarification of terms of reference, and consultative support of ONE may be arranged directly through the Liaison Officer.

CONFIDENTIAL

e. A copy of the Terms of Reference of all ONE projects in which ORR participates will be filed in D/R. D/R will also maintain a file of finished ONE documents for general ORR reference.

f. The Project Initiation and Control Branch of D/R will maintain a control list of all ONE projects involving ORR support. The persons responsible for ONE liaison in the OAD will keep this Branch continually informed of the status of all ONE projects entailing ORR production.

g. The review and editing of contributions to ONE will be handled by the Reports Division in consultation with the ORR task group, division, or individual assigned primary responsibility for the production of the paper.
